The O of MSH: no waiting period for hospitalization and medical expenses, and worldwide coverage of accidents during trips of less than 60 days.

### HAVE YOU THOUGHT ABOUT LIFE & DISABILITY COVERAGE?

So that's it, the decision's been made, you're going to live abroad! Whether it's a few hundred kilometers away or on the other side of the world, going solo is sure to mean new places to discover and new people to meet.

But traveling alone, far from your loved ones, can also be a source of stress: moving, administrative procedures, getting a visa... and health insurance! At MSH, we're here to help you choose your international health insurance and be your healthcare partner throughout your time abroad.

Got any questions? Contact us on

or by email at:

## **INSURANCE FOR YOU**

## FIRST'EXPAT+ with optional Medical assistance and repatriation

As a solo expat, we'd advise you to select the Medical assistance and repatriation option: if you have a major health problem, Europ Assistance will organize your repatriation or arrange for your loved ones to join you.

**DOWN?** One way of keeping your premiums down is to choose an **annual deductible**:

€350 / €750 / €2,000 / €4,000 (available in \$).

MSH will only reimburse you once the amount of the deductible has been exceeded. This allows you to **reduce your premiums** while limiting your out-of-pocket expenses, particularly for hospitalization.

### **GOING SOLO**

A levels of coverage: • Quartz  $\star$ your expenses up to  $\in$ 500,000 or &625,000 • Pearl  $\star \star$ your expenses up to  $\notin$ 1,000,000 or \$1,250,000• Sapphire  $\star \star \star$ your expenses up to  $\notin$ 1,600,000 or \$2,000,000• Diamond  $\star \star \star \star$ your expenses up to  $\notin$ 3,000,000 or \$3,750,000

### I'M GOING HOME TO SEE MY FAMILY. AM I COVERED?

You're covered for emergencies anywhere in the world during trips of less than 60 consecutive days. If you plan to spend a lot of time in a country other than your country of expatriation, and if this country is not already covered in your coverage zone, you can opt to extend your coverage zone (there's more information on these zones on page 14). You'll then be fully covered while staying with your family.

The • of MSH: worldwide emergency coverage and a choice of coverage zones.

# **CHOOSING THE RIGHT INSURANCE FOR THE USA**

The American dream is calling! But before you leave, there are a few things you need to do: complete the administrative formalities in your country of departure, apply for a visa, arrange accommodation... and get information on the Social Security benefits you'll be entitled to once you're there.

When a consultation with a general practitioner can cost \$100, and a day in hospital more than \$800, it's important to choose the right expat healthcare coverage.

Whether you're going abroad on your own or as a family, for just a few months or for the long term, we can provide you with insurance coverage specially designed for the United States.

Got any questions? Contact us on

or by email at:

In the United States, there's a system of copayment. This is a fixed amount that the insured has to pay towards each medical service or consultation before they're reimbursed. They also have to contribute to hospital and consultation fees. These vary according to the type of plan and the healthcare provider selected (in or out of the medical network).

## **INSURANCE FOR YOU**

# OUR ANSWERS TO YOUR QUESTIONS!

# • WHO CAN PURCHASE THE PLAN?

Anyone over the age of 18 and under 71 can purchase these plans. **They can also cover your dependents**, meaning people who benefit from your insurance (children and/or spouse).

# HOW AND WHEN TO APPLY?

Whether or not you're already living abroad, you can arrange your insurance up to 4 months before your coverage start date.

You can get a quote and purchase our plans directly via your broker:

If you prefer, you can also email the completed **application form** to:

#### OUR ANSWERS TO YOUR QUESTIONS

This insurance plan has been designed to meet the needs of people living abroad for more than a year. The **minimum period of membership is 6 months**. The plan is automatically renewed for one year on the anniversary date unless you ask for it to be terminated.

### ♦ IN WHAT CURRENCIES CAN I BE REIMBURSED?

We'll reimburse you in the currency of your choice, unless it's illegal to make a payment in that currency under international banking regulations.

# • WHEN DOES MY COVERAGE START?

Your coverage starts on the effective date you selected when you purchased the plan (the 1<sup>st</sup> or 15<sup>th</sup> of the month), and no earlier than the day following the purchase.

### CAN I PURCHASE THE INSURANCE FROM ABROAD?

No problem, you can purchase the insurance directly via your broker:

# ARE THERE ANY WAITING PERIODS?

Yes, there are waiting periods (also known as qualifying periods) on our plans for:

- psychiatric care and treatment
- the dental, vision and maternity options

For hospital care and routine healthcare (visits to a doctor, purchasing medication, etc.), there's **no waiting period and you'll be covered as soon as your application for enrollment has been accepted.** For more information, please refer to the benefits schedule.

### HOW DO I TERMINATE MY PLAN?

The plan is automatically renewed on the anniversary date. If you no longer need the coverage, you can terminate it:

After the first 12 months of enrollment: at any time, by contacting us with one month's notice by email at: admineurope@asfe-expat.com

After 6 months, in the following cases:

- your employer has introduced a mandatory plan,
- your expatriation comes to an end and you return to your country of nationality/departure,
- you're enrolled in a local scheme in your country of expatriation.

The termination will take effect on the 1<sup>st</sup> or 15<sup>th</sup> of the month following receipt of the request.

### HOW DOES THE DEDUCTIBLE WORK?

When you enroll in the plan, you have the option of choosing between several levels of deductible. The deductible is the amount you have to pay towards your medical expenses. Over and above this amount, you are reimbursed based on the benefits you selected. It is calculated per insurance year and per plan member.

Once the amount of the annual deductible has been reached, all further medical expenses covered under the plan will then be reimbursed (up to the level of the coverage you selected).

### AM I COVERED IF I TRAVEL OUTSIDE MY COUNTRY OF EXPATRIATION?

Yes, **you're always covered for emergencies** if you travel outside your country of expatriation.

We group countries into 5 pricing zones, based on local healthcare costs (see page 14).

You select the zone you want when purchasing the plan.

#### If you travel to a country in a lower coverage zone than the one you selected, you'll be covered exactly as you would be in your country of expatriation.

### If you travel to a country in a higher coverage

**zone**, you'll be covered for emergency care only (accidents and illnesses) for a limited time (see notice).

#### Enrollment in the HOSPI package:

30 days covered at 100% worldwide (excluding the USA)

15 days covered at 80% in the USA

Enrollment in the HEALTH, HEALTH+ or HEALTH+ CHILD packages:

60 days covered at 100% worldwide

(see information booklet to find out more)

### CAN THE WAITING PERIODS BE WAIVED?

Yes. If you previously had insurance with an equivalent level of coverage (in terms of the benefits provided, the reimbursement rate and the coverage limits) the waiting periods for vision and dental care will be waived. However, the waiting period for maternity and psychiatry coverage will still apply.
